

Together, we continue to make a difference in our communities.

In 2024, we strengthened our support for local communities through partnerships with agents and brokers and with our employee's commitment to service through volunteer efforts and impact campaigns. We also invested in the future by offering education scholarships and supporting local initiatives through board service with nonprofits and chambers of commerce.

We supported 260 organizations with a total of over \$2 million.

Where we gave

Nurturing the next generation
