

Select the Best Job Applicants with Integrity Testing | Integrity Plus is an online, multi-language behavioral hiring assessment.

Quickly identify job applicants for their propensity towards:

- Theft
- Workers' compensation fraud and abuse
- Negative workplace and safety behavior
- Drug use
- Employee loyalty and retention

When you select the best applicants you can reduce your workers' compensation costs, improve your safety record, reduce turnover, and lower your hiring costs. All Integrity Plus testing is EEOC compliant.

To learn more about Integrity Plus, contact your Underwriter or Loss Control Consultant today.

Integrity Plus screens job applicants who are high risk to help you hire the best employees possible.
