

Community Giving Report 2022

copperpoint.com

Putting our heart into the places that matter.

Giving back to the communities where we live and work is at the heart of who we are, and this year saw us further strengthen and commit to the pillars of our program: Healthy Families; Diversity, Equity and Inclusion; and a Thriving Workforce.

WE SUPPORTED 352 ORGANIZATIONS WITH OVER \$1.75 MILLION.

Expanding educational accessibility

Every child should have the chance to reach their potential: our belief behind the following initiatives and donations.

Our employees give back

It's people who care for other people that make the difference. Our quarterly enterprise-wide campaigns show how our employees helped improve the lives of their neighbors.
