Alaska National, part of CopperPoint's family of insurance companies, provides invaluable Inland Marine coverage for a wide range of specialty products and equipment including: computers and servers, construction and contracting equipment, and other specialized property. These items are often excluded from basic property coverage. Coverage can also be provided for goods being transported or stored.

Our options include customizable coverage to fit the unique needs of your business. Underwriters tailor coverage to minimize your exposure and help protect your assets. With over 40 years of experience in our dedicated team, we are able to offer fast turnaround times, competitive pricing and 24/7 claims servicing. As a client, you will also have access our best-in-class Commercial P&C Loss Control team, including access to safety materials from the Loss Control Toolbox to help mitigate risk.

In today's hyper-connected world, your assets need protection, and we understand the importance of personalized partnership.
